

# Dinner and Presentation

On Saturday July 18<sup>th</sup> in Barrie, Ontario  
In conjunction with the  
Get a HANDLE<sup>®</sup> on the Autism Spectrum course

With Dr. Wendy Edwards Consultant  
Pediatrician from Chatham, Ontario

## Topic: Autism and Biomedicine

- Dr. Edwards obtained her medical degree from McMaster University in 1993 after having worked as a pediatric nurse for 8 years. She then did her pediatric residency at the Hospital for Sick Children in Toronto. Dr. Edwards became intensely interested in Autism in 2003 when her youngest son became diagnosed autistic. She continues to follow the paradigm that autism is a medical diagnosis and not a static, hard-wired condition of the brain. Dr. Edwards will share her knowledge of autism as a medical disorder, and her specialty of Biomedicine.
- **Presentation to take place from 7pm to 9pm  
in The Georgian Summer Suites  
in the 5<sup>th</sup> Floor Lounge**
